

Report to the Kentucky Library Association Board
ALA Councilor
Louisville, Kentucky
September 11, 2013

I have completed the Chapter Report that ALA requests with the wonderful help of Tom and his staff at KLA.

I requested and received the Chapter materials for the conference.

Brenda Metzger and I attended the Kick Off of the Declaration for the Rights to Libraries at the Nashville Public Library and both of us were recognized as "Honored Guests".

I'd like to thank the KLA Board for giving me the opportunity to be Chapter Councilor. It was an honor and I hope that I represented our state well. It is a wonderful position and I thoroughly enjoyed the work. I would also like to thank the board for their support during some tough personal times. You are an amazing group and I am so proud to be part of this association.

Respectfully submitted,

Terri Grief
